

If the rolling player loses the challenge, they move to the outer Final Cut ring (marked 3) and must await their next turn for another chance to win – this time by undertaking a Final Cut challenge. But for now, the dice pass to the next player in sequence.

If any other player wins the All Play to Win challenge, they have the option of forcing an opponent to draw a Buzz Card or of moving their own game piece forward **three** spaces (unless they are already on a Final Cut ring). After following the instructions on the Buzz Card, the next player in sequence (the one following the roller) gets their turn.

**Game Tip:** Buzz Cards cannot be played against players on a Final Cut ring.

## 2. Final Cut

For any player that has landed on a Final Cut ring, the **DVD Master** chooses Final Cut from the Game Menu and follows the on-screen instructions. In Final Cut the player must correctly answer up to three questions to win the game. The number of questions that must be answered in a turn corresponds to the ring number upon which the player's game piece stands. If the player misses a question, they move in one ring and must await their next turn. Again, the on-screen instructions will walk you through Final Cut, so don't worry!

A player must successfully complete a challenge to win the game. A player who loses a challenge while on the Final Cut ring marked 1 does not advance inward. They stay on 1 and must await their next turn.

## OPTIONS

**For Longer Games**—Before players can move what they roll on the Numbered Die, they must first successfully complete the challenge rolled on the Category Die; otherwise they remain where they are.

**Final Cut**—Trivia Card challenges can be used instead of on-screen challenges to complete the Final Cut. If you prefer Trivia Cards, let the player choose a category and remember to refer to the numbers on the Final Cut rings to determine the number of questions that must be answered correctly to win the game.

## GETTING STARTED

You have two options for learning to play Scene It?:

1. Watch the on-screen demonstration by choosing **How to Play** from the Scene It? DVD **Main Menu**.
2. Read the instructions below. Begin with **SET UP** for a complete description of the game, or skip to **PLAY THE GAME** for the essentials.

## SET UP

1. Position the Flextime Game Board so that all players can see the TV or monitor connected to your DVD player. The board can be fully extended for longer games or folded into a circle for shorter play.
2. Choose a game piece for each player and place it on the **Start** space.
3. Place the round Buzz Cards, the box of Trivia Cards and the two dice beside the board, and then distribute a Category Reference Card to each player.

4. Insert the Scene It? DVD into your DVD player. The DVD will show a quick intro and then display the Main Menu.
5. Select one person, referred to as the **DVD Master**, to operate the remote control.

Use the **ARROWS** on your remote to navigate between Scene It? Menu items; use the **ENTER** or **PLAY** button to activate a menu selection; when viewing a movie clip, use the **SKIP**, **NEXT** or **FAST FORWARD** buttons to quickly advance to the question.

6. Select **Timer Settings** from the Main Menu. You will use the on-screen timer when answering Trivia Card questions. The timer is pre-set at 30 seconds, but may be set at 10 or 20 seconds to make the game more challenging. Select the time limit you want; this will remain the default unless you choose to reset the timer during the game by accessing the Main Menu once again.

**Technical Tip:** Your DVD is automatically set up to deliver questions at random: However, *because* it is random, you may eventually get repeats. Choose **Pre-set Gameplay** on the Main Menu then select one of the pre-programmed sequences.

**Note:** Some DVD players do not support the random shuffle feature provided by Optreve technology (a window will appear to warn you of this). In that situation, you should also choose **Pre-set Gameplay**.

7. Choose **Play the Game** from the Main Menu and the **Game Menu** will appear.

## PLAY THE GAME

1. All players roll the Numbered Die, re-rolling any ties. The highest roller goes first and play proceeds clockwise around the table.
2. Each turn, a player rolls both dice and moves the number of spaces shown on the Numbered Die. **Note:** Tokens can share the same space on the board. After moving, the player then attempts to successfully complete whichever challenge was rolled on the Category Die (see below for descriptions of challenges).

### DVD Challenges

### Trivia Card Challenges

### Buzz Cards and Player's Choice

**Game Tip:** You always roll both dice and move your game piece to start your turn. If you win the challenge, you roll both dice again and take another turn!

3. Category Reference Cards are provided for each player to allow easy recognition of the Scene It? challenges.

## THE SCENE IT? CHALLENGES

Depending on the symbol rolled on the Category Die, players will have to complete different DVD or Trivia Card challenges:

### DVD CHALLENGES

#### My Play Challenges

The **DVD Master** selects **My Play** from the DVD Game Menu, and a My Play challenge will follow. **ONLY THE ROLLING PLAYER** (the player whose turn it is) **MAY ATTEMPT TO ANSWER THE ON-SCREEN CHALLENGE**. If the roller answers correctly, they get another turn and roll both dice again. If they answer incorrectly, the turn ends and play proceeds clockwise to the next player in sequence.

**Game Tip:** If you play Scene It? many times, you may eventually start seeing the same clips over again. Don't worry! Each clip has multiple questions associated with it. So pay attention; you never know what you will be asked!

#### All Play Challenge

The **DVD Master** selects **All Play** from the DVD Game Menu. **ALL PLAYERS SHOULD WATCH THE CHALLENGE THAT FOLLOWS** and attempt to be the first to clearly shout out the correct answer.

If the rolling player is first to answer correctly, they roll both dice and take another turn.

If a player other than the roller answers correctly, that player chooses either to move their game piece forward one space or to force another player to draw a Buzz Card and follow its instructions. After this is done, the next player in sequence (the player clockwise from the roller) gets their turn.

**Note:** Players are never skipped as the result of an All Play challenge—play always proceeds sequentially around the table, even when someone out of sequence correctly answers the question.

- 1) Clips can be skipped through by using the **SKIP** or **FAST FORWARD** buttons on the remote.
- 2) If you receive an All Play that you have seen in a previous game just hit the **RETURN** button on your remote and another All Play challenge will appear.

If two players simultaneously answer correctly, select **Tie Breakers** from the Game Menu.

If **no one** answers correctly, play proceeds to the next player in turn.

### TRIVIA CARD CHALLENGES

When a player rolls a Trivia Card challenge, one of the opposing players draws a card from the front of the box. After the appropriate question has been read, the **DVD Master** selects **Start Timer** and the player must give the correct answer before the timer reaches zero. The card should be placed in the back of the box when finished.

#### Take Three Challenge

Players must identify an actor, actress, or movie from three clues on the card.

#### Songs and Slogans Challenge

Players must answer a question associated with a song, slogan, or tagline.

### Pop Culture Challenge

Players must answer a question related to movie pop culture.

**Remember:** The on-screen timer can be adjusted by selecting **Timer Settings** from the Main Menu, and then choosing the countdown you want.

### BUZZ CARDS AND PLAYER'S CHOICE

#### Buzz Cards

Depending on the "buzz" you get, these cards can help you or an opponent move ahead or knock either of you back. A player must read the Buzz Card aloud and follow the instructions on the card as soon as it is drawn, then that player's turn ends.

If the card specifies "Hold this card and make another player lose a turn at the most opportune time," you may keep it until later. These Buzz Cards can be played when it is not your turn, but must be presented to another player before that player's turn begins – not **after** that player has rolled the dice.

#### Player's Choice

Rolling this allows players to choose a DVD (My Play) challenge, a card challenge (any category) or a Buzz Card.

## DOUBLE FEATURE SPACE

If a Player wins any challenge while on a **Double Feature** space, on their next roll they move twice the number of spaces shown on the Numbered Die.

## WINNING THE GAME

When any player reaches the end of the game path, they **must** stop on the space labeled **Stop: All Play to Win**, no matter what they may have rolled. From this point, they have two ways to win the game – the first is All Play to Win; if that proves unsuccessful, the second option is Final Cut.

### 1. All Play to Win

Whenever a player rests on the Stop: All Play to Win space, they must complete an All Play to Win challenge.

The **DVD Master** chooses All Play to Win from the Game Menu and **ALL PLAYERS** compete in this special All Play.

If the rolling player wins the challenge, that player advances directly to the winner's circle and instantly **WINS THE GAME!**
